## SUMMER LOANS AVAILABLE!

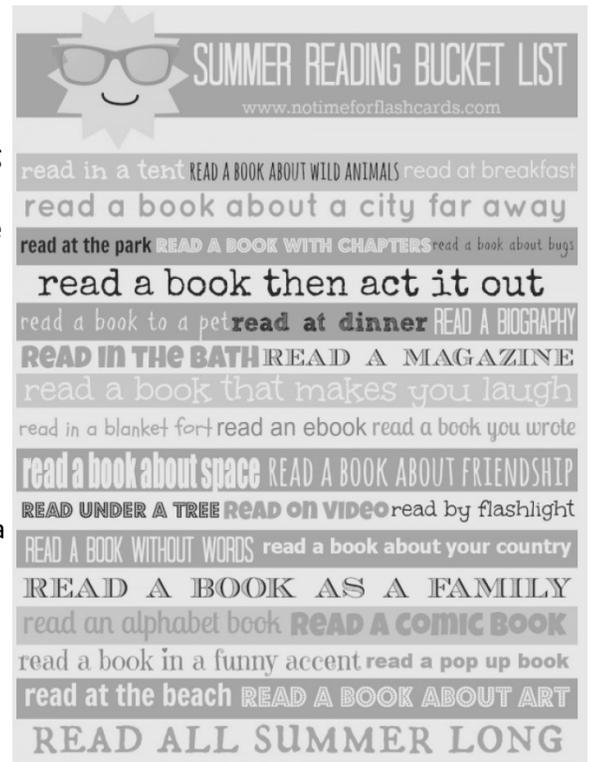

This will be our 11th year and we've had great responses. I would like to continue again this summer. Here are a few of the rules:

- Students must have no overdues at the end of the year.
- Parent permission is required along with the child's "signature" that says they will keep the books in the bag when not in use.
- Return them to the library by the first week of school in September.
- If any of the books are lost or damaged, they will be responsible for replacing the books.

I will provide the plastic bag along with a list of titles that are signed out to help keep track. If you have any questions, please do not hesitate to contact me through the library's website or call the library at 826-0389.

I hope having the opportunity to have extra books in the house over the summer makes things easier as it's not always convenient to get new titles when you want them.

## What's On the Elementary Library's Website?

Most of our elementary students are familiar with the library's website. There are many, many links from curriculum related, holidays, resources to FUN!

Just a few you might want to check out are:

- The Library's Blog (you can leave comments or suggestions...)

- Online Resources that include encyclopedias, magazine databases, library catalogs and teacher resources
- Summer calendars of fun that give a daily website for students to check out

- Kid friendly search engines

I'll continually add things throughout the summer **so check back often.**

**HINT: Check the recent updates section to see what has changed.**

**FYI: How to get to the website?**

### Fun Things to Do!

- ♦ Public library reading programs: Poland ([here](#)), Middleville ([here](#)) and Newport ([here](#))
- ♦ SUNY PI—Summer Reading Skills classes for Grades PreK-12 ([here](#))
- ♦ Every 4th grader gets a free pass to a National Park ([here](#))
- ♦ Marquee Cinemas Summer Kids Movies—Tuesday and Wednesdays @ 9:30 ([here](#))

Etc.....

Besides the summer calendar of fun on the library's website, check the link for the public libraries Summer Reading Program. There will be links to **reading lists** and **online books** that the students can either read or have them read aloud to them. You can find this under Summer Reading Programs.

- It was a pleasure to teach your student this year, see you in the fall!

## BOOKS BEAT SUMMER SLIDE

Children who are given access to books over the summer perform 35-40% better on reading achievement tests than those without access to books.
