### *COVID-19 Announcement*

Today, the District learned of another confirmed positive student COVID-19 case for a student in our secondary program (grades 6-12).

Based on the circumstances, the district does not expect to share more contact tracing data with the Department of Health from the incident. The student was on campus for a short amount of time Monday before feeling unwell and getting a pass to report to the Nurse's Office.

We applaud the student's self-awareness and Mrs. Ozog's abundance of caution that resulted in calling parents and the parents calling a health care provider.

Two new confirmed cases this week substantiates the need to continue to report the onset of symptoms attributed to coronavirus. As a reminder, the list of symptoms are

A temperature above 100 degrees

Fever or chills

Loss of taste or smell

A sore throat

Shortness of breath or trouble breathing

Headaches

Cough

Nasal congestion or runny nose

Muscle pain or body aches or fatigue

Nausea, vomiting, or diarrhea

We will continue to communicate with our school community via School Messenger as new cases arise and/or updates are available.

If you have questions or concerns, do not hesitate to contact Mr. Cuthbertson in the main office, me in district office, or Mrs. Ozog. Emails and phone numbers to use appear in orange font.

Sincerely yours,

Laura M. Dutton
