Dear Parent or Guardian:

Your child attends a school that receives Title I funds from the federal government. We have received these funds for the 2018-2019 school year. Under federal law, you may request that we provide you with the following information:

Whether your child's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;

Whether your child's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;

Whether your child's teacher is teaching in the field or discipline ascribed to the certificate he or she holds; and

Whether your child is provided services by paraprofessionals and, if so, their qualifications. Poland has two paraprofessionals. Both do hold the appropriate teacher assistant credential.

If you are interested in receiving any of the information about our teachers, please direct your inquiry to me. The mailing address to use is
