

A Message from PCS about Available Child Care to Essential Personnel

On March 18, Governor Cuomo issued an Executive Order directing school districts to develop a plan for childcare, with an emphasis on serving children of parents who are critical to the COVID-19 response effort. Specifically, childcare placement is available to personnel who provide essential service, supplies, or support during this time. To learn more, contact the Oneida-Herkimer-Madison Child Care Resource Center by phone ([315-223-7850 ext. 222](tel:315-223-7850)) or by email @ earlycareandlearning@cornell.edu. Thank you to all essential personnel who continue to protect and support our community. Be safe and, whenever possible, stay at home.
