

# POLAND

## CENTRAL SCHOOL DISTRICT

— CALENDAR —

# 2026-2027

## District Notifications

State law, federal law or New York State Commissioner's Regulations require school districts to communicate certain information to parents/guardians and the wider community. These topics appear within our school calendar and have been organized alphabetically, by title. For certain topics, the Poland Central School District has an approved policy. This is noted within each heading section by referencing the policy number. To view district policies for Poland Central School District, and the policies referenced in the calendar, use the Board of Education page heading on the district's website ([www.polandcs.org](http://www.polandcs.org)); find the text to Access the Poland Central School District Policy Manual.

### Annual Fire Inspection Report

Notice is hereby given that the annual inspection for fire hazards which might endanger the lives of students, teachers, employees therein, has been completed and the report thereof is available at the office for inspection by all interested persons.

### Annual Evaluation Plans

New York State Education Law requires school districts to post their Educator Evaluation plans to their district website. Find our plan under the About Us heading on the homepage.

### Annual Professional Performance Review, Educator Evaluation Ratings

New York State Education Law requires each classroom teacher and school principal to receive an Annual Professional Performance Review (APPR) that results in a composite effectiveness score and rating. Parents/guardians have the right to request the final educator evaluation rating information for their child's current classroom teacher(s) and principal(s), as available under the district's currently approved educator evaluation plan. To initiate this request, please contact your child's principal.

### Attendance Policy

Being present in school is essential for students to make academic progress. The objective of the district's attendance policy is to promote student attendance and explain the process used to address issues related to unexcused absences, incidents of tardiness and early departures.

In general, the following types of absences, incidents of tardiness or early departures are considered excused: the student's personal illness, the serious illness of a family member, impassable roads, college visits, participation in a cooperative work program, and court appearance. In general, the following types of absences, incidents of tardiness or early departures are considered unexcused: oversleeping, a road test appointment, vacationing, or missing the bus.

Scan the QR code to the left for more information on our attendance policy.

### Body Mass Index

New York state requires schools to track each student's body mass index (BMI) and weight status category as part of school health examinations. Every year, the New York State Department of Health surveys some schools for the number of students in each weight status category. If surveyed by the state, the district will report summary data. Student names and other personally identifying information are not reported. Parents/guardians may opt to withhold their child's information from the survey using the form on the district's website before the survey is submitted (usually in January).

### Child Abuse Hotline

A person who suspects a child is abused or maltreated (neglected), should call 1-800-342-3720, a toll-free 24-hour hotline operated by the New York State Office of Children and Family Services. A person who believes a child is in immediate danger, should contact 911 or the local police department. More information about reporting child abuse and maltreatment (neglect) is available online at [ocfs.ny.gov/programs/cps/](http://ocfs.ny.gov/programs/cps/). Schools must make this known in prominent places and on websites.

### Code of Conduct

The Poland CSD Code of Conduct was developed in an effort to

- Clearly define the expectations for acceptable conduct on school property;
- Identify the possible consequences of unacceptable conduct;
- Ensure that discipline, when necessary, is administered promptly, fairly, consistently, and lawfully; and
- Support the Dignity for All Students Act (DASA).

The complete Code of Conduct is on the district website and available from the main office of the school.

### Students Rights and Responsibilities

Every student has the right to:

- Learn in an environment free of discrimination, bullying, and harassment based on actual or perceived race, (including but not limited to hair texture and protective hair styles), color, traits historically associated with race, national origin, ethnic group, religion, religious practice, weight, disability, sexual orientation, sex, gender (gender identity or expression);
- Be treated respectfully, fairly, and in compliance with law;

- Have equal access to all school activities regardless of actual or perceived race, (including but not limited to hair texture and protective hair styles), color, weight, national origin, ethnic group, religion, religious practices, disability, sexual orientation, sex, gender (gender identity or expression) or other classifications protected under DASA and/or other state and federal law.

Every student has the responsibility to:

- Contribute to maintaining a safe, orderly school environment;
- Arrive at school and to classes on time;
- Act and speak respectfully and exercise self-control; and
- Work at full potential in all academic and extracurricular pursuits and strive toward their highest level of achievement.

## Dress Code

The basic principle of the Code is that undergarments and certain body parts must be covered for all students at all times. The code identifies specific items that should be stored in lockers during regular school hours. Students must wear a shirt (that includes front, sides, back), pants or an equivalent (skirt, sweatpants, shorts, dress, leggings) and shoes. Students cannot wear:

- Attire or accessories with offensive or disruptive writing or images likely to disrupt the educational environment;
- Attire or accessories with logos or emblems that depict drugs, tobacco, nicotine products, or alcohol, the abuse of guns or weapons, illegal drugs; or encourage illegal or violent activities;
- Any clothing that reveals visible undergarments;

- Accessories that could be considered dangerous or used as a weapon;
- Items which obscure the face (except as a religious observance) for identification purposes;
- Costumes, unless part of a planned, principal-sanctioned spirit day or Drama Club production;
- Any item not aforementioned that is deemed unsafe or disruptive to the school environment.

## Disciplinary Actions / Student Conduct

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and well-being of District students, personnel, members of the school community, and District facilities and equipment. The Board recognizes the need to make its expectations for student conduct, on school property and at school functions, specific and clear. This section of the Code clarifies and emphasizes safety and respect for others' rights and property. Students who will not accept responsibility for their own behavior and violate school rules will be required to accept the consequences. Students may be subject to disciplinary action, up to and including suspension from school, when they engage in Disruptive Conduct, Insubordinate Conduct, Violent Conduct, Academic Misconduct, Transportation Misconduct, Unsafe/Potentially Dangerous/Dangerous Conduct, Emotional Abuse, and Substance Abuse.

Where appropriate, recognizing discipline as a "teachable moment" to help a student understand why a behavior is unacceptable and what could have been done differently in the same situation is encouraged. Traditional consequences from an administrative warning to a suspension or restriction from participation may be imposed by the employee titles named in the Code of Conduct.

## Visitors to the School

All visitors to the school must report to the Main Office during the instructional day and for 30 minutes before and after the instructional day. Employees expecting visitors are required to notify the Main Office in advance. Anyone who observes or suspects an unauthorized person on school property should immediately notify the Main Office. All visitors are required to register in the Main Office upon arrival.

Visitors are expected to abide by rules for public conduct on school property outlined in the Code of Conduct.

Visitors to the school building who arrive beyond the hours noted should use doors designated for the purpose of the event or activity. Doors to the building are otherwise secured for the safety of any building occupants.

Visitors who violate the Code of Conduct (who are not District students or staff) will be directed to leave the premises and/or function. Authorization, if any, to remain at premises and/or function shall be withdrawn. If a visitor refuses to comply, the individual will be subject to ejection.

## Concussion

New York state requires tackle football programs to provide information about concussions and sub-concussive blows, and the potential injuries that might occur, to parents/guardians of all children participating in tackle football programs. Poland CSD does not have a tackle football program but provides materials relevant to the risk of concussion and other brain injuries. Information and resources are on the Athletics page of the district website and the specific heading: Athletic Health and Safety.

## Continuation of Operations

New York state requires school districts to develop a continuity of operations plan and make it available. The information for continuation of operations is incorporated into the current District Safety Plan.

## Dignity for All Students Act (DASA)

The goal of the Dignity for All Students Act (DASA) is to provide students with a safe and supportive learning environment that is free from discrimination, intimidation, taunting, harassment and bullying. Some of the law requirements include: establishing anti-harassment and discrimination policies, creating school training programs, and including a course in civility, citizenship and character education in the curriculum for every grade level. To report an incident for review by a DASA coordinator, use the form on the district's website under the About Us heading by using the Policies, Procedures, and Annual Notifications section or see Section VI of Policy 1005.

## Districtwide School Safety Plans

As required by state education law, Poland CSD maintains a districtwide safety plan and must post the plan on its website. This plan is designed to prevent or minimize the effects of violent incidents and emergencies and to facilitate the coordination of schools and school districts with local and county resources in the event of such incidents or emergencies. Poland's plan is available on the district's website under the About Us heading by using the Policies, Procedures, and Annual Notifications section. The plan also includes the method by which the district will ensure the availability of devices, internet access, provision of special education and related services for students with disabilities, and the expectations for time spent in different remote modalities.

## Dominic Murray Sudden Cardiac Arrest Prevention Act

The Dominic Murray Sudden Cardiac Arrest Prevention Act requires all schools to include information relating to students exhibiting signs or symptoms of increased risk of sudden cardiac arrest in permission forms, consent forms or similar documents that are required for participation in interscholastic athletics. This information is currently part of the Interval Health History Form for Athletics.

School districts also need to provide information from the New York State Education Department (NYSED) and New York State Department of Health (NYSDOH) on the district's website. Both departments have identified symptoms that indicate a risk for SCA as:

- Fainting or seizure, especially during or right after exercise or with excitement or startle.
- Racing heart, palpitations, or irregular heartbeat.
- Dizziness, lightheadedness, or extreme fatigue with exercise.
- Chest pain or discomfort with exercise.
- Excessive shortness of breath during exercise.
- Excessive, unexpected fatigue during or after exercise.

Personal risk factors as

- Use of diet pills, performance-enhancing supplements, energy drinks, drugs such as cocaine, inhalants, or

"recreational" drugs.

- Elevated blood pressure or cholesterol.
- Having a healthcare provider-ordered test for the heart.

Both NYSED and NYSDOH have guidance on how to understand family history as part of the risk. For more comprehensive information see the New York State Department of Health website at [www.health.ny.gov](http://www.health.ny.gov).

## Ed Law 2D & Parents' Bill of Rights

New York State Education Law provides the right to information about how Poland Central School is safeguarding student and staff data. Read the Bill of Rights (Parents' Bill of Rights) on the district's website under the About Us heading by using the Policies, Procedures, and Annual Notifications section. Learn more about the vendors we use and any third-party contracts in the same website location.

The district is committed to ensuring student privacy in accordance with local, state and federal regulations and district policies. To this end and pursuant to U.S. Department of Education (DOE) regulations (Education Law §2-d), the district is providing the following Parents' Bill of Rights for Data Privacy and Security:

- A student's personally identifiable information cannot be sold or released for any commercial or marketing purposes.
- Parents/guardians have the right to inspect and review the complete contents of their child's education record, including any student data maintained by the Poland

Central School District.

- State and federal laws protect the confidentiality of personally identifiable information, and safeguards associated with industry standards and best practices – including but not limited to, encryption, firewalls and password protection – must be in place when data is stored or transferred.
- Parents/guardians may also obtain a list of data elements the state collects by writing to the Office of Information and Reporting Services, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, New York 12234.
- Parents/guardians have the right to have complaints about possible breaches of student data addressed.

If at any time the district learns that student and/or employee data has been compromised, parents/guardians will be notified, and the data breach will be reported to the New York State Education Department. Parents/guardians have the right to have complaints about possible breaches of student data addressed. Complaints should be directed to Laura Dutton, Superintendent at 315-826-0203.

## Equal Opportunity Policy

Poland CSD does not discriminate on the basis of race (defined as, but not limited to, ancestry, color, ethnic group identification, and ethnic background, as well as traits historically associated with race including hair texture and protective hairstyles), color, national origin, creed, disability, sex, sexual orientation, marital status, age, military status or any other protected status in its educational programs,

employment or any other activities and provides equal access to the Boy Scouts and other designated youth groups. Further, it is unlawful for an employer to retaliate against any individual because that person filed a complaint, opposed any unlawful practice or testified or assisted in an investigation or proceeding. The Board of Education has adopted Policy 0015, which provides more extensive information on this topic. Any inquiries and complaints regarding non-discrimination in the district may be referred to the district's Compliance Officer, Danielle Roark, by calling the Business Office at 315-826-0205.

## Fiscal Transparency Documents

Chapter 514 of the Laws of 2016 requires school districts to post certain budget and finance documents on their website. School district community members may find the transparency documents on the Budget and Finance page of the Poland CSD website.

## Family Educational Rights and Privacy Act (FERPA)

FERPA provides parents/guardians and students 18 years of age or older (known as "eligible students") with certain rights for the student's education records. Parents/guardians and eligible students have the right to:

- Inspect and review the student's education records within 45 days after the day a request for access is received by the school. These requests should be sent to Superintendent Laura Dutton;
- Request the amendment of the student's education

records that the parent/guardian or eligible student believes are inaccurate, misleading or otherwise in violation of privacy rights;

- Provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent as outlined below;
- File a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the office is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202.

Disclosure of personally identifiable information from a student's education records is permitted without the consent of the parent/guardian or eligible student if it meets certain conditions, such as if the disclosure is to:

- Officials of another school, school system or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled;
- Authorized representatives of the U.S. comptroller general, U.S. attorney general, U.S. secretary of education or state and local educational authorities;
- Complete applications, determinations for financial aid;
- State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a state statute that concerns the juvenile justice system;
- Organizations conducting studies for, or on behalf of, the school that meet certain requirements;
- Accrediting organizations to carry out their accrediting functions;
- Parents/guardians of an eligible student if the student is a dependent for IRS tax purposes;
- Comply with a judicial order or lawfully issued subpoena;
- Appropriate officials for a health/safety emergency;
- Share "directory information" as designated by the district;
- An agency caseworker or representative of a state or local child welfare agency or tribal organization for authorized access;

- The secretary of agriculture or authorized representatives of the U.S. Department of Agriculture's Food and Nutrition Service for national school lunch and nutrition programs.

## Free Meals for All Students

Poland Central School District, through the Oneida Herkimer Madison BOCES Food Services Program, offers free breakfast and lunch to the entire student body through the Community Eligibility Provision (CEP) without determining eligibility by collecting household free and reduced-price lunch applications. With CEP in place, the district does not need to establish and communicate a meal charge policy, required by New York Education Law §915-a or communicate a prohibition against meal shaming, though both are available on the district's website for review.

The district is required to notify families of the process for requesting meal modifications and the individual responsible for coordinating needs, which is fully explained in board Policy 5202. Parents/guardians may request meal modifications if the available options do not meet their child's dietary needs; the form to use for meal modifications is available on the district website and from on-site kitchen manager, Tanya Steves, at [tsteves@polandcsd.org](mailto:tsteves@polandcsd.org).

Income Eligibility Forms are still provided to PCS and may be completed to ensure the CEP provision remains in place. In fact, at such time PCSD would have 70% or more students eligible for free or reduced-price meals under the National School Lunch Program, the district would be required to offer all students a school breakfast "after the bell" or after the instructional day has started, which enables students to eat breakfast when and where it is most convenient for them.

## Freedom of Information Law

For access to PCS records under New York state's Freedom of Information Law, please contact the District Office or use the form available on the district website and send the form to [ldutton@polandcsd.org](mailto:ldutton@polandcsd.org). Please be as specific as possible (i.e. dates, names, descriptions, etc.). The nature of the request will determine how quickly the information can be provided. For more information regarding district records requests, contact the Superintendent at 315-826-0203 or visit the Committee on Open Government website.

## Grade Promotion and Placement

Decisions about student promotion and placement are guided by PCS Policy 8100 and the discretion of the superintendent in consultation with school principals and observations of student mastery by teachers. The district is expected to base determinations on multiple measures including written assessments, state assessments, standardized tests, measures of classroom achievement and aptitude, as well as the student's social and emotional development.

## Hand Sanitizer Use

Certain high-traffic areas at PCS (such as the entry to gymnasiums, the cafeteria, fitness room) have self-serve alcohol-based hand sanitizer stations. Parents/guardians who wish to opt a child out of the district-provided sanitizers should send written notice to the building principal who will communicate with teachers who support the individual student.

## Homeless Student Policy

Poland CSD Policy 7002 explains legal obligations to identify and determine whether students meet the definition of homeless children under the McKinney-Vento Homeless Education Assistance Act. An annual McKinney-Vento liaison for the district is designated each in July. Questions regarding homeless children may be directed to counselor Janice Watrous.

## Idling School Buses

State law requires school districts to take steps to minimize the idling of the engines of school buses and other school vehicles on school grounds. While students are boarding and departing school buses, the engine should be turned off. Students should be instructed about the importance of getting on and off buses in an orderly and efficient fashion to minimize loading and unloading time. Bus engines should also be off while parked at sporting events and other school activities. Exceptions to this "no idling" policy can be made in cases of emergency, mechanical issues or for necessary heating.

## Influenza Materials

The New York State Department of Health (NYSDOH) requires schools to post influenza educational materials in plain view within facilities. PCSD places the information at school entries and in the nurse's office early fall - spring and may send influenza materials in Parent Square.

## Integrated Pest Management

New York State Education Law requires schools to provide written notification to all parents/guardians and staff members regarding the potential use of pesticides periodically throughout the school year. The district maintains a list of all individuals who wish to receive 48-hour prior written notification of certain pesticide applications. To receive 48-hour notifications of pesticide applications that are scheduled to occur or for other information about requirements, please contact Danielle Roark in the PCS Business Office at 315-826-0205. In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. Some pesticide applications are not subject to notification requirements, including anti-microbial products, EPA-designated biopesticides and exempt materials, and when a school remains unoccupied for a continuous 72-hours following application.

## Internet-Enable Device Use

New York state requires school districts and BOCES to prohibit student use of internet-enabled devices during the school day on school grounds. Internet-enabled devices

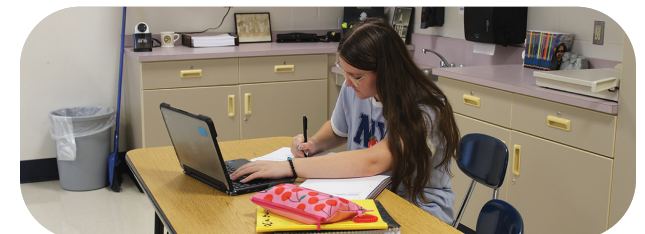

supplied by the district and used for an educational purpose are allowed; devices including, but not limited to smartphones, tablets, smartwatches, laptops, and other portable electronic communication or computing devices are included in the prohibited use. Students at the elementary building are expected to leave devices home. Students in the secondary building are expected to store devices, powered off, in lockers from the beginning until the end of the instructional day. Parents or guardians to a student may contact the main office of the building when communication needs arise. Each main office has a designated phone line established for student use and an adult available to assist with communication needs. Section V of Policy 1005 has more extensive information regarding devices.

## Internet-Enabled Devices Report

PCS has published its Internet-Enabled Device Policy Enforcement Report for the 2025-2026 school year. The report summarizes enforcement of the district's internet-enabled device policy during the prior school year and includes non-identifiable demographic data, an analysis of any demographic disparities in enforcement and, if applicable, a mitigation action plan. The report is available on the district's website under the About Us heading by using the Policies, Procedures, and Annual Notifications section.

## Instructional Technology Plan

As required by Commissioner's Regulation 100.12, the district maintains an Instructional Technology Plan to help support achievement and engagement through the seamless integration of technology into teaching and learning, improve learning experiences for students and increase equitable access to technology-rich learning experiences for students and staff. The plan may be found on the district's website under the About Us heading by using the Policies, Procedures, and Annual Notifications section.

## Lead Testing

State law requires school districts to sample all water outlets currently or potentially used for drinking or cooking purposes in buildings that may be occupied by students and to submit those samples to a state-approved lab for analysis. Testing was done May 2024 and August 2025. Lead testing must be completed every three years thereafter, unless the state Commissioner of Health requires sooner. The state established an action level of 0.005 milligrams of lead per liter. If a sample from a water outlet exceeds this level, schools must take steps to prevent the use of the outlet for drinking or cooking purposes until it is remediated and follow-up testing confirms it is no longer above the action level. Districts are required to report the results of all water testing to the state Department of Health, the state Education Department and the local health department, and to post the results on the official district website. Poland testing results and remediation plans are on the district website under the Department and Services heading, specifically the Buildings and Grounds page. Questions about lead testing may be directed to the District Office or Business Office by calling 315-826-0203.

## Military Recruiters, Higher Education & High School Students

Pursuant to federal law, Poland CSD must provide to military recruiters and institutions of higher education, upon request, the names, addresses and telephone numbers of high school students. Parents/guardians or students ages 18 or older who do not want this information released to military recruiters and/or institutes of higher education should contact Laura Dutton, FERPA designee for a form.

## Employees & Voting Leave

Pursuant to New York State Election Law, all employees are eligible for up to two hours of paid time off to vote if they don't have sufficient time to vote (at least four consecutive hours) either before or after their working hours. Employees meeting these requirements will be granted up to four consecutive hours off to vote in the election Nov. 3, 2026, and will receive paid time off for up to two of those hours. Eligible employees should request a form designated for this purpose from their immediate supervisor or the District Office at least two days before the election date.

## New York State Report Cards

New York State Education Law requires districts to place report card and accountability report information on websites. Poland CSD has placed state report card information on the About Us heading page of the website. Since PCS receives Title 1 funding, principals must also distribute the report card for the school and the district to parents/guardians of each student.

## Open Meetings Law

Public notice of Board of Education meetings scheduled at least one week in advance will be provided at least 72 hours before the meeting. For other meetings, notice will be provided as soon as practicable. Board of Education agendas and meeting materials are available on the district website under the Board of Education page. The district is reviewing the use of videoconferencing for remote participation in extraordinary circumstances. If adopted, the board's videoconferencing resolution and procedures will be posted on the district website.

## Opportunities for Advanced Coursework

Districts must provide hard copy or electronic notification of the advanced coursework available to students and families. The PCS Program of Studies may be found on the website under the Academics heading. Specific questions about coursework may be directed to guidance counselor Janice Watrous in the Secondary Office.

## Participation in Graduation & Placement

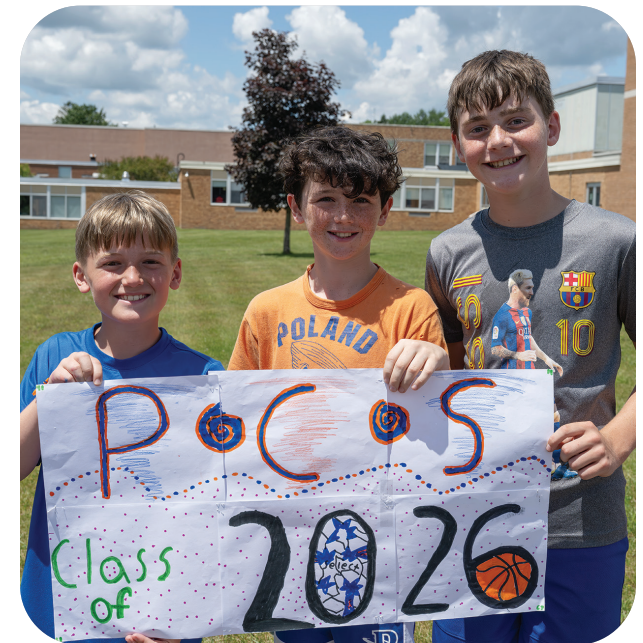

New York State Education Law requires the district to inform students and parents/guardians of the district's policy that all eligible students are allowed to participate in a high school graduation ceremony and associated graduation activities with their graduating class (i.e., the 12th grade class with which the student entered into ninth grade). This includes students awarded a Skills and Achievement Commencement Credential or Career Development and Occupational Studies Commencement Credential. More information is within board Policy 8405.

## Release of Student Information

Consistent with the Family Educational Rights and Privacy Act (FERPA), the district has designated certain categories of personally identifiable student information that it may release without prior written consent. This is known as "directory information." The purpose of doing this is to enable student activities and accomplishments to be publicized and for the creation of such publications as the annual yearbook, programs for graduations, concerts and other special events, sports activity sheets and honor roll or recognition lists. Achievements are typically published on the school website and through school district social media, press releases, and official district publications. Directory information can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture district awards, offer scholarships, or publish yearbooks.

To review what the district has designated as directory information, scan the QR code to the left.

## School Budget Documents

New York State Education Law requires the district to provide a detailed statement of the amount of money which will be required for the ensuing year for school purposes, specifying the several purposes and the amount for each. This information may be found on the district's website under Departments and Services, Budget and Finance page, Fiscal Transparency.

## School Counseling Plan

New York State Education Law requires the district to develop district and building-level comprehensive developmental school counseling guidance plans and to post these plans on the district website.

## School Safety Drills

Since July 2024, New York State Education Law requires school districts to notify parents/guardians within one week of when a safety drill is being conducted. PCS places many safety drills within the district calendar to support effective planning and compliance with certain time-specific drills. Notification for fire drills is not stipulated in current law, but the district may notify parents using the Parent Square platform about its plan to hold fire drills in addition to the notification required for lockdown drills.

## Title 1 and Parents' Right to Know

Since Poland CSD receives Title 1 funds from the federal government, federal law allows parents/guardians the right request whether

- A teacher has state certification for grade levels and subjects he/she is teaching;
- A teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- A teacher is teaching in the field of discipline of certification held;
- Their child receives services from paraprofessionals and, if so, their qualifications; and
- Their child has been taught for 4 or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher was assigned.

Parents/guardians may request their child's classroom teacher's professional qualifications by contacting Superintendent Laura Dutton. Additionally, under the Every Student Succeeds Act (ESSA), parents/guardians have the right to know the specific information about the required assessments their child will take, including:

- Subject matter assessed;

- Purpose for which the assessment is designed and used;
- Source of the assessment requirement;
- Amount of time needed to complete the assessment;
- Assessment schedule; and
- Time and format for reporting results.

## Title IX

Poland CSD has adopted board Policy 0012 to provide a learning and working environment that is safe, welcoming and free from discrimination on the basis of sex. Title IX requires the school district not to discriminate. Reports of sexual harassment can be made at any time, including during non-business hours using the telephone number or email address, or by mailing to the office address listed for the Title IX coordinator: Danielle Roark in the Business Office at 315-826-0205.

## Transportation to Non-Public Schools

Parents/guardians of a child who is a resident of Poland CSD, attends a non-public school and needs transportation must make a written request for such transportation by April 1 in advance of the school year for which transportation is sought. For more information, contact Superintendent Laura Dutton or Transportation Supervisor Jessica Streater.

## Water Safety Information

Effective this school year, New York State law now requires districts to provide families of each enrolled student with information about water safety, safe and healthy swimming, and drowning prevention annually. Poland CSD made a Parent Square notification in July and has placed information on its website. Families may request a paper copy by contacting Laura Dutton at the District Office at 315-826-0203.

# SEPTEMBER 2026
